MEMORANDUM FOR: Chief, Budget and Finance Division, OSA

SUBJECT : Approval for Funds

REFERENCE : Memo OSA-2453-71 dtd 17 Nov 71;
Subject: Parasail Winch Modification
(See copy attached)

1. The Special Operations Division/Maritime Branch, DDP, has informed the Aero Medical Staff, AMS, by telephone that the parasail winch can be modified with a four (4) speed transmission with clutch that should meet all our requirements. With the higher speed gears to assist in the lift-off of the parasailor, a 100 percent-launch capability will be achieved. The parasail line can then be let out to the full 1200 feet in neutral gear and then rewound on the reel in reverse gear.

2. The cost of the transmission installed is \$709.80. Request this amount
